Help us ADVOCATE for The Village!

As a non-profit much of our budget is made up of donations and grants. Part of these dollars come from funding including us being a named grantee in the Minnesota Department of Education yearly budget. In order to keep The Village strong, and retain this funding we need your help!

Please take the time to color a picture, and write a letter to one of our local legislators, both from you and your child, sharing exactly what The Village means to you and your family! Leave these with the attendant and we will send them all in together. Try to do 1 or 2 so we can send them to all of our legislators.

If you have time, another VERY IMPACTFUL way you can help is by sending your own letter or email to the legislators below. Be sure to tell them how important The Village is to you and your family, and why this program deserves their support!
